

“I encourage you to participate in a clinical trial if you have the opportunity, not just for your benefit but also to help others”

Liwen,

clinical trial participant

Clinical trials are an important part of making sure treatments and medicines that can improve our health are safe and effective for everyone. Currently, there are over 1000 clinical trials recruiting. You can find out all the benefits and how to get involved at [AustralianClinicalTrials.gov.au](https://www.AustralianClinicalTrials.gov.au)
