

"The clinical trial gave me  
access to treatment I wouldn't  
otherwise have. It was worth  
the effort"

Steven, clinical trial participant

Clinical trials are an important part of making sure treatments and medicines that can improve our health are safe and effective for everyone, including Aboriginal people.

Currently, there are over 1000 clinical trials recruiting. Find out how your patients can get involved at [AustralianClinicalTrials.gov.au](https://australianclinicaltrials.gov.au) or join in the conversation on twitter @AustCT
