

“Science advances so quickly and there are constantly new trials and investigations. We should support these for our own good and the good of others. It’s very important”

Ruben,  
clinical trial  
participant

Clinical trials are an important part of making sure treatments and medicines that can improve our health are safe and effective for everyone. Currently, there are over 1000 clinical trials recruiting. Find out how your patients can get involved at [AustralianClinicalTrials.gov.au](https://www.australianclinicaltrials.gov.au) or join in the conversation on twitter @AustCT
